UPSWING/CART/CARETINA/Operations

BRDLIK, Dr. Ing. Vladislav

ACTION REQUIRED: Traces per paras 2 and 3 and check with COURGE and COENVY on present whereabouts of subject.

1. During one of [] last chats with Dr. WOTTO, the latter asked [] to trace subject by last name only. Our files indicated a BRDLIK who lived in the same town as CARETINA. WOTTO was amused, since the request had originated with CARETINA, and promised to check that lead out before giving [] a further request. He never opened the subject again.

2. It now appears from an intercept that the BRDLIK in whom CARETINA was interested is now in PEPRINE. Will you please check COENVY and COURGE files as well as KUBARK files to determine what information is available for our info and what for UPSWING?
